**AMENDMENT AND RESPONSE UNDER 37 CFR § 1.116**

Responsive to the Final Office Action mailed on June 14, 2007, for which the 3 month deadline falls on September 14, 2007, please accept the **Terminal Disclaimer** as seen in the attachment hereto, either to place the application in condition for acceptance, or, to present the application in better form upon appeal.

**Claims:** The final rejection dated June 14, 2007 states that the newly presented claims 8-17 filed with the responsive amendment filed on March 26, 2007 are withdrawn from consideration, and that claims 1-7 are rejected based on double patenting objection considering the applicant's prior patent 6,380,253 B1. It is the applicant's understanding that claims 1-7 remain in the present application as indicated by the Final Rejection communication of June 14, 2007. It is noted that claim1 was earlier amended as seen in the marked-up-claims-attachment, having regard to the Examiner's comments in the earlier action, to overcome all outstanding objections.

A marked up copy and a clean copy of the claims 1-7 (as required by rule 37 CFR §1.121) as presented with the previous amendment of March 26, 2007, which applicant
